**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my ISP provider because they are competitive alternative to the massive incumbents like AT&T and Comcast who have HORRIBLE customer service and bundle tons of products I do not need. Affordable broadband access is just as important as having water and electricity.

Thank you,

Michael Reeves
